Who is eligible to attend?

Youth in grades 6-12 who have:

- A medical or education diagnosis on the Autism Spectrum
- Independent toileting skills
- Ability to work positively and interact in small groups as well as independently

Due to our staff to participant ratio of 1:4, students who require 1-to-1 assistance may not be a good fit for All Access.

A special note for young women:

We welcome your participation in Community Explorations. However, due to the typical ASD population, we expect enrollment to be largely male.
